

HEALTHCARE VIRTUAL CCAREER EXPRIENCES

VCE events are online -live interactions with a local healthcare professional. You will learn about the professional's academic and career journey, their daily routine, starting or average salary and types of patients they see or work with throughout a day.

Participating students will have the opportunity to ask professionals questions.

WHEN: Events occur on Tuesday's, Wednesday's, or Thursday's. Times are dependent on speakers. All times are Central Standard. VCE events are recorded and can be viewed later.
