

# MILWAUKEE

Wisconsin Area Health Education Center

## Alexander JP Idárraga

Community Health Intern - Summer 2021

4th Year MD candidate at the University of Wisconsin  
School of Medicine and Public Health

---

### What are some of your memorable moments with Milwaukee AHEC?

“My time spent through AHEC with Jump At The Sun, LLC and their colleagues was a master class in public health engagement. The organizers, professionals, and volunteers of the tobacco cessation and COVID-19 vaccination campaigns inspired me as much with their innovative approaches to this life-saving work as with their tenacity and expertise.

Their efforts represent the frontlines of battles which I have seen end for individuals in ICUs and operating rooms, and, even more importantly, have saved many people from needing to fight those battles at all.

It was an honor to work with those so committed to keeping the people of Milwaukee healthy.”
